

Lesotho National Olympic Committee Advanced Sport Management Course (ASMC)

The Lesotho National Olympic Committee (LNOC) will host the Advanced Sport Management Course (ASMC) for the 2022 – 2023 period. ASMC aims to equip Sport Administrators with the knowledge and skills to assist them in bringing about positive change in their sport organizations. ASMC is based on the Managing Olympic Sport Organizations manual that comprises six modules, which are; Organizing an Olympic Sport Organization, Managing Strategically, Managing Human Resources, Managing Finances, Managing Marketing, and Organizing a Major Sport Event.

Applications are open to National Federations' Presidents, Secretary Generals, members of the Executive Committees and members of Sports Organizations willing to undertake this course based on the following prerequisites; applicants:

- Must have a COSC/LGCSE or equivalent. Any higher qualifications will be an added advantage,
- Must have Sport Administration Course Level 1 or 2,
- Must be prepared to undertake research,
- Must have a minimum of two years' experience in sport administration/management,
- Must have leadership qualities,
- Must demonstrate respect for the national sport circles.

Prospective participants must submit an **application letter, curriculum vitae** (sport administration or management experience clearly stated), **certified certificate copies, National Federation recommendation letter** and **completed application forms** at LNOC offices or emailed to matobolem@lnoc.org.ls on or before **Friday the 25th November 2022 at 00:00**.

Application forms are available on the LNOC website www.lnoc.org.ls, LNOC Facebook page or the office of the NF Secretary General.

Only the short-listed applicants will be contacted.

For further clarifications, please contact the LNOC offices at **+266 2232 1333** or matobolem@lnoc.org.ls.
